

UOAC Meeting No. 11.

December 7, 2015

Attendees: Holly Ault, Chrys Demetry, Art Heinricher, Lauren Mathews, Kent Rissmiller (chair), Jill Rulfs (acting as secretary)

1. No minutes from November 30th were available for review. Minutes from November 23rd were approved with minor word changes provided by invited guest Kris Wobbe.
2. Chrys Demetry reported working with Pam St. Louis to set up a meeting with engineering department ABET coordinators to discuss development of a common set of supplemental questions for the advisors MQP evaluation form.
3. The committee began discussions regarding the possibility of developing learning outcomes for global competence. We discussed the possibility of inviting Peter Hansen to join the discussion to provide information on measures of cultural competence. No specific action was taken.
4. The committee looked at some data from student IQP reports related to oral and written communication outcomes. No conclusions were immediately evident. Advisor IQP and MQP evaluations, as well as responses to specific NSSE questions may provide additional sources of data to address this learning outcome.
