

UNDERGRADUATE OUTCOMES ASSESSMENT COMMITTEE (UOAC)
WORCESTER POLYTECHNIC INSTITUTE
Minutes of 2017-18 meeting #14, February 22, 2018

Present: L. Mathews (chair), D. Samson (secretary), R. Mallick, J. deWinter, A. Heinricher (Provost's Office), A. Donta-Venman (Institutional Research), G. Cataldo '20 (SGA), P. St. Louis (Engineering, permanent visitor)

The meeting came to order at 12:01. The minutes of meetings #12 and 13 were approved with corrections. The draft of meeting 13 will be sent to Prof. Lance Schachterle, our guest at that meeting, to let him check the minutes' account of his statements for accuracy.

The committee discussed the faculty's reaction to UOAC's motion concerning Undergraduate Outcome #8 at the February 13 faculty meeting. The committee began discussion of whether to revise the motion in light of faculty feedback at the meeting. L. Mathews proposed scheduling the vote for the April faculty meeting. The committee also had some preliminary discussion about how the work represented in the motion could lead to further action.

L. Mathews reminded the committee that Kris Boudreau, Head of the Department of Humanities and Arts, will be UOAC's guest at its next meeting on March 1. Prof. Boudreau will be invited to discuss how UOAC might be of service to Humanities and Arts' work toward best practices in outcome evaluation.

The meeting adjourned at 1:03.

Respectfully submitted, D. Samson, secretary
