

## **Commencement Safety Message**

### **WPI Police Department**

The WPI Police Department is committed to providing a safe and enjoyable Commencement ceremony for all graduating students, members of the campus community, distinguished guests, and family.

WPI Police has developed a comprehensive safety and security plan to accomplish this goal. Some of these measures will be visible to attendees while others will not.

Security personnel will be conducting random checks of camera bags, backpacks, and other large items.

Attendees are reminded to keep possessions on their person at all times. Unattended packages will be examined by security personnel, removed from the venue, and secured at the WPI Police Department located in the lower level of Founders Hall, 26 Boynton Street.

Weapons and alcohol are prohibited on all WPI properties.

Anyone who observes anything suspicious should immediately contact Campus Police at 508-831-5555.

The WPI Police Department thanks all attendees in advance for your cooperation in making Commencement a safe and enjoyable event.
