

# Advancing Women's Impact in Mathematics Symposium, New England

## Speakers

Misha Kilmer, Tufts University

Gigliola Staffilani, MIT

Andrea Arnold, WPI

Kathryn Lindsey, Boston College

Emina Soljanin, Rutgers University

Gwen Spencer, Smith College

Catherine Roberts, AMS

## Panelists

Linda Ness, Rutgers University

Sarah Olson, WPI

Chad Topaz, Williams College

Lalitha Venkataramanan,

Schlumberger-Doll Research

Suzanne Weekes, WPI

Location: **Higgins Labs**

Time: **April 7, 2018**

Registration:

[www.wpi.edu/c/awims](http://www.wpi.edu/c/awims)

Contributed talk and poster  
opportunities available!

## Organizers

Lucía Carichino

F. Patricia Medina

Xiaodan Zhou

## Advisory Committee

Sarah Olson

Suzanne Weekes

AWIMS is made possible by generous support from WPI's Women's Impact Network and from the WPI Department of Mathematical Sciences.

This event is in cooperation with Association for Women in Mathematics.
