

Summer Programs

Participant Agreement and Code of Conduct

WPI strives to provide a safe, secure, educational and fun environment for our summer programs. The participant should properly conduct himself or herself at all times during the course of the program. A "Two-Strike" behavioral policy will apply. If an incident occurs in which a participant exhibits unacceptable behavior, they will be given a first warning and the Program Director will contact the parents. Upon a second offense, the participant will be subject to removal from the program. Behaviors that are not acceptable (verbal or physical abuse, bullying, foul language, theft, etc.) are determined at the discretion of the Program Directors.

To participate in this program, the participant and their parent or guardian agrees to abide by the following terms as a condition of participation in said program.
