

System Dynamics Online Course Schedule

SUMMER TERM 2017

SD 553. Model Analysis And Evaluation Techniques
SD 558. Introduction To Agent-Based Modeling

FALL TERM 2017

SS 590. ST: Educational Data Mining
SD 557. Latent Structures, Unintended Consequences And Policy
SD 560. Strategy Dynamics

SPRING TERM 2018

SD 550. System Dynamics Foundation: Managing Complexity
SD 556. Strategic Modeling And Business Dynamics
SD 562. Project Dynamics

SUMMER TERM 2018

SD 561. Energy And Environmental Dynamics
SD 565. Macroeconomic Dynamics

FALL TERM 2018

SS 590. ST: Educational Data Mining
SD 552. System Dynamics For Insight
SD 560. Strategy Dynamics

SPRING TERM 2019

SD 550. System Dynamics Foundation: Managing Complexity
SD 551. Modeling And Experimental Analysis Of Complex Problems
SD 553. Model Analysis And Evaluation Techniques

SUMMER TERM 2019

SD 558. Introduction To Agent-Based Modeling

FALL TERM 2019

SD 550. System Dynamics Foundation: Managing Complexity
SD 557. Latent Structures, Unintended Consequences And Policy

SPRING TERM 2020

SD 556. Strategic Modeling And Business Dynamics
SD 562. Project Dynamics

SUMMER TERM 2020

SD 561. Energy And Environmental Dynamics
SD 565. Macroeconomic Dynamics

ELECTIVES

ACC 503. Financial Intelligence for Strategic Decision Making
FIN 500. Financial Information Management
FIN 521. Financial Management in a Global Environment
OBC 500. Group and Interpersonal Dynamics in Complex Orgs
OBC 536. Organization Design

OBC 537. Leading Change
CE 574. Water Resources Management
SYS 501. Concepts of Systems Engineering
SYS 521. Model Based Systems Engineering

An elective will be available each term
