The Massachusetts No Interest Student Loan program provides zero (0) interest loans to qualified Massachusetts students to help them pay for the cost of their education.

By accepting this loan you agreed that you will repay all funds that have been lent to you through this program.

Students who are currently repaying their Mass NIL obligations are funding all future loans under the program.

WHAT HAPPENS IF YOU DO NOT REPAY YOUR MASS NO INTEREST LOAN?

- All future State financial aid will be denied
- Your loan will be referred to a COLLECTION AGENCY! The collection agency can charge you up to 30% more (on top of your outstanding balance)!
