**NOTES:** This does not imply that you are automatically admitted into the Bioinformatics and Computational Biology BS/MS program. You must formally apply for graduate admission (www.grad.wpi.edu) under the BS/MS program according to the normal process and guidelines. See www.wpi.edu/academics/cs/ug-bsms.html or
the Graduate Catalog for rules governing the BCB BS/MS program. Note that 1/3 undergraduate unit = 2 graduate credits.

**PROCESS**: The student fills out this form at the start of the term in which the course is being taught and gets the instructor’s prior approval. For Option A (grade-based) only, the student turns in the form to the BCB Program Director. For other conditions, the student obtains the signature of the faculty member when the conditions have been met. The student turns the form in to the BCB Program Director.
