Before Working in the Manufacturing Labs

1. Join myWPI Community
2. Search Results:
3. Self Enrollment
4. Take Safety Quiz
5. Safety Quiz A09
6. Click OK to begin. Safety Quiz A09. Click Cancel to return.
7. Register Your Project
8. Project Registration
   - To better serve the WPI community we have been asked to track the work that is ongoing in our facilities.
   - To do this we expect you to register your project with us:
     - You will require assistance from laboratory staff.
     - You expect to use the facilities more than once for this particular project.
     - You do use the facilities more than once for this particular project.
   - You can register a new project by clicking here. Then click new and provide the requested information.
9. Project Registration
