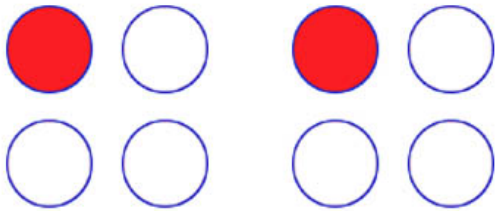
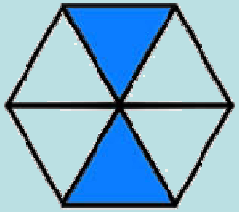
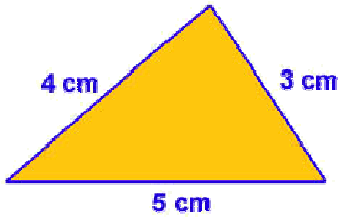
Reciprocal Math







$\frac{1}{4} \cdot \frac{1}{4}$

EVERYONE READS THE PROBLEM

EVERYONE SOLVES THE PROBLEM

IDENTIFIER (Understand)

Help your team to **understand** what the problem is asking. Help your teammates circle or underline key phrases or words.

PLANNER

Work with your team to make a **plan** to solve the problem. Think about what strategies will help you. What operation will we use?

CHECKER

Check your work. Use inverse operations. Did you all get the same answer? Work with your team to see if your solution makes sense.
