

$$\frac{1}{4} \cdot \frac{1}{4}$$

Reciprocal Math

**EVERYONE
SOLVES THE
PROBLEM**

READER

Help your team read the problem carefully.

(You may need to read it more than once.)

THINKER

Help your team to think about what the problem is asking you.

IDENTIFIER

Help your teammates circle or underline key phrases or words.

PLANNER

Work with your team to make a plan to solve the problem. What strategies will help you?

CHECKER

Did you all get the same answer? Work with your team to see if your solution makes sense.
