

## Holiday Tree Farm for Charity!

### *Our Vision Statement:*

*The tree farm will offer a learning environment for students, and a habitat for wildlife. We will donate money to local charities when the trees are ready to be harvested and sold.*

The purpose for making brochures, posters, Power Points:

- Information about where the school is located
- Know the project, so people can donate money to buy small trees for us to plant
- People can help us plant maybe?
- Inform the public about what we are doing at Fall Brook: for charity (raise money for community issues), create a learning environment and creating an environment for the animals.
- Teach the other children so they will have a chance to learn about trees, what we are doing, and so that they can take over the tree farm!
