Planning Questions

What does the Events Office do?

The Events Office schedules WPI event spaces for all on- and off-campus groups. Working with our Service Providers (Facilities, Chartwells, ATC, and Campus Police) we coordinate your event and meeting needs while adhering to University policies. At the conception of your event, you will be given an Event Planning Checklist from your designated Event Planner which will help us determine all of your event needs for a successful experience.

Who sets up my event?

The Events Office requires confirmed, up to date event information at least ten (10) days prior to your event. Your final room set-up details are then communicated to our Service Providers. Any event or meeting reserved on the WPI campus will be set up and broken down by Facilities. Depending on your set up needs, a standard three (3) hours of set up time and three (3) hours of breakdown time are added to most events for our Service Providers.

What if I need a particular service for my event, who do I contact?

If you need Audio/Visual services, Campus Police detail, or any Facilities resources (tables, chairs, easels, cork boards, flipcharts, etc.) currently in the WPI inventory, the Events Office will coordinate what you need through the appropriate Service Providers.

The services that the Events Office do not handle directly are LnL, EMS, and Catering. All menus, tablecloths, and dinnerware are planned directly with Chartwells, our exclusive caterer on Campus. Alcohol service, once approved by the Events Office, is also planned with Chartwells.

All sandwich boards are reserved from the Front Info Desk of the Campus Center, who can be reached at X 5429.

SERVICE PROVIDER FEES

Facilities

- Expect all events that require a furniture set-up, catering, or resources will be charged a custodial fee. Some spaces have scheduled staff coverage and event resources available to make rates more cost effective and efficient for service.
- Even if the event does have a custodial fee assessed, it is recommended that the host group clean and disinfect shared resources and supplies; shared equipment, tables, and chairs; high traffic areas and high-touch surfaces; and the event space in coordination with Facilities (see above).
- Please visit the Facilities [website](#) for labor and rental costs.
- For billing questions, please contact the Events Office at events@wpi.edu.

Catering

- Chartwells provides catering services consistent with the state's restaurant guidance.
- All Catering fees depend on the individual menus worked out directly with Chartwells.
- To place an order, please visit [Catertrax](#)

ATC

- ATC equipment checked out and supported during business hours will not be billed. All events after business hours and on weekends will be subject to a fee determined by ATC.

Event Concept Questions:

1. What is the goal of your event?
2. What do you want your guests to take away from your event?
3. What is the most important thing you want and need for your event?
4. The 5 W's:
 - What type of event would you like to host: business meeting, lecture, performance, or a social event?
 - Who will be attending your event, and how many do people do you expect?
 - Where do you want your event to take place?
 - When do you want to host your event?
 - Why are you having this event?

Planning Detail Questions:

Before you contact the Events Office please have the following details and information readily available, so that the staff can help you begin planning your event. All requests should be done in a timely manner (certain requests may take up to 30 days to plan). Please keep in mind that details or requests made within less than 10 business days cannot be guaranteed.

1. What is the title of your event or meeting?
2. What department or student group is sponsoring and/or planning this event? Multiple departments or groups may share the cost of the event, but having more than one department or group on the reservation can be confusing. Whoever enters the request through 25Live will be the primary point of contact for information regarding the event. If this point of contact changes, please notify the Events Office before the change takes effect.
3. Do you plan on having food or beverages served at your event? If you are planning on having alcohol served at your event, first you must determine if it be hosted or a cash bar. If it is a cash bar (where cash is physically transacted between the customer and Chartwells at the time of the request for the beverage), only Higgins House, the Goat's Head, and the Campus Center, can serve alcohol without the need for a special one-day alcohol service license. All other locations desiring a cash bar must obtain a one-day alcohol license through Chartwells from the City of Worcester at a minimum of a 90-day request time. When having a consumption bar (where the WPI department or group is paying through an account number for all of the beverages consumed at the end of the event) is desired, then no special licenses are needed - but all campus service rules and state regulations apply. Please review our Alcohol Policies [here](#).

4. Are you going to need a laptop, cable, or recording device for a presentation or performance? Do you plan on showing a video or PowerPoint? All of these resources are to be ordered through the Academic Technology Center or LnL.
5. Are you planning on having a guest speaker at your event? Does this presenter need any special accommodations including audio visual or logistical needs? If you are planning to have an external guest speaker, performer, or artist at your event, you will need to complete the External Speaker, Performer, or Artist Checklist to have approved and signed by your Department Head or the Student Activities Office and returned to the Events Office for final approval before we can confirm your event.

Finalizing the Event

- All major changes - any change that impacts the resources or services of an event – need to be relayed to the Events Office no later than ten (10) business days prior to the date of the event.
- Changes requested after the required deadline will not be guaranteed.
No changes will be accepted within 48 business hours of the event.
- In the case of a cancellation, the Events Office should be contacted as soon as the decision has been made to cancel an event in order for the space to be released for use by other groups.
- Any group that fails to cancel their event is responsible for all costs and fees associated with that event.

At the Time of the Event

- Please use common sense with all decorating decisions and avoid things that could cause damage to WPI property – e.g. tacks, tape, staples, or glitter. Battery operated and electric candles are permitted for use during events on campus, but flame candles are not permitted unless a request is made and approved through the Events Office prior to the event.
- WPI rules and regulations – along with federal, state, and local laws, regulations, and guidelines – must be observed for all events.

Following the Event

- If the event does not include a custodial detail, the space should be returned to its original table/chair configuration and cleanliness. This includes all trash produced being collected and removed from the building, not just the space.
- Charges could be incurred for any custodial actions necessary to return the space to its original state.
- All internal events incurring charges will be billed directly to your account by the individual department/provider of those services. All external groups, including personal functions, will be invoiced by the Events Office based on current university pricing.
