Worcester Polytechnic Institute 2019-2020 Student Health Insurance Plan

Eligibility

The Commonwealth of Massachusetts mandates that every full-time and part-time student enrolled in an institution of higher learning in Massachusetts must participate in a student health program or in a health benefit plan with comparable coverage. A part-time student is defined as a student participating in at least 75% of the full-time curriculum.

How do I Waive?

All qualified students will be charged for the health insurance on their eBill. Students may waive their right to participate in the WPI health insurance plan if proof of comparable coverage is provided by completing a waiver online at <u>wpi.myahpcare.com/waiver</u>. The health insurance waiver will automatically be credited to the student's account upon the submission and receipt of the waiver information, provided the information is submitted by published deadlines. Completing a waiver is an annual requirement. You will not receive an updated eBill and should deduct the insurance charge from your eBill after the waiver has been completed and submitted.

How do I Enroll?

Eligible students electing to enroll/purchase the WPI student health insurance plan should complete the steps for online enrollment. Students who fail to waive/purchase the insurance by the due date on the e-Bill, will be automatically enrolled and will be responsible for the associated fee. Eligible students are charged in the fall for the full year unless newly admitted in the spring semester. For enrollment for eligible dependents please visit wpi.myahpcare.com/enrollment. Graduate students enrolled in less than 7 credit hours are not charged for the insurance and will need to self-identify and enroll in the plan.

Please view the complete brochure on-line at <u>wpi.myahpcare.com</u> for full details of participation in the plan.
