Dear Faculty,

The Letter of Intent (mandatory) deadline for the National Science Foundation Research Traineeship (NRT) Program <http://www.nsf.gov/pubs/2016/nsf16503/nsf16503.htm> is December 9, 2016.

The NRT has two tracks:

- Traineeship Track
- Innovations in Graduate Education (IGE) Track

and is a limited submission program (no more than 4 proposals per institution, out of which no more than two in either Track). Thus an internal review process is required.

Faculty member interested in submitting a proposal should provide by November 7, 2016:

1. a brief (1-3 pages) abstract of the project and
2. a budget outline with accompanying narrative explanation

Please send materials to resadm@wpi.edu.

Please feel free to contact me or VPR Vernescu with any questions you might have.

Best regards,

Antje
