Subject: NSF Limited Submission Opportunity: Scholarships in Science, Technology, Engineering, and Mathematics

Dear Faculty,

The proposal deadline for the National Science Foundation (NSF) Scholarships in Science, Technology, Engineering, and Mathematics (S-STEM) opportunity (<http://www.nsf.gov/pubs/2016/nsf16540/nsf16540.htm>) is May 16, 2016. Since this is a limited submission program (no more than 1 proposal per institution), an internal review process is required.

Faculty members interested in submitting a proposal should provide by April 4, 2016:

1. a brief (1-3 pages) abstract of the "project" and
2. a budget outline with accompanying narrative explanation.

Please send materials to resadm@wpi.edu.

Please feel free to contact me or Bogdan Vernescu with any questions you might have.

Best regards,

Antje
