

# Committee on IT Policy

---

- Proposed Charge:
  - The Committee on Information Technology Policy (CITP) is a permanent subcommittee of COG that shall have purview over all Information Technology policies, procedures, and practices that affect WPI's academic and research missions.

# Discussion Only – Motion to Update Charge/Membership of CITP

---

- Adds CITP to the Faculty Handbook
  - PART ONE, Bylaw One, Section I as subsection I.a
- Expands CITP's charge
  - All academic and research computing policies, procedures, and practices
- Allows CITP to send motions via COG
- Clarifies membership succession rules

# Rationale

---

- Computing technology can create *de facto* policy for the university
- CITP will advise IT Services, but will also be able to make motions independently
- CITP is not a standing committee so succession rules do not apply
  - CITP is a permanent subcommittee of COG

# IT Policy

---

- CITP is happy to hear from you about IT policy/procedure concerns or suggestions
- Chair: Craig Shue ( [cshue@wpi.edu](mailto:cshue@wpi.edu) )
- Members:
  - Kaveh Pahlavan (ECE)
  - Guillermo Salazar (CEE)
  - Deborah Scott (CIO)
  - Andrew Trapp (FSB)
