

# Launch & Frontiers Move-In Map

For move-in and move-out, families arrive on campus, they should drive to the Bartlett Center, found at **60 Institute Road, Worcester, MA**. There will be signage and staff to greet and guide participants through the check-in and move-in process. The process is designed so that participants can drive their vehicles in close proximity to the residence halls for convenience of moving all belongings into their room. Please note that we will have staff available to assist in escorting participants to their room with their belongings. Once all belongings are unloaded from the vehicle, the driver should park in the WPI Parking Garage, which is located at 151 Salisbury Street, Worcester, MA and then walk to the residence hall to reunite with the participant.
