Seeds of STEM: A Problem-based STEM Curriculum for PK- K Classrooms

- **Target Audience:** Preschool – Kindergarten teachers and administrators
- **Dates:** December 4-5 & January 29-30
  ◦ Friday, December 4, 2020; 8:30-11:30
  ◦ Saturday, December 5, 2020; 9:00-12:00
  ◦ Friday, January 29, 2021; 8:30-11:30
  ◦ Saturday, January 30, 2021; 9:00-12:00
  The training includes all 4 days.
- **Format:** Fully online via Zoom
- **Registration Fee:**
  ◦ $180 with electronic version of the curriculum*
  ◦ $300 with a classroom kit (including curriculum binder, printed color images, and Panda, to be mailed to participants prior to the PD)*
- **PDPs/CEUs:** 12/1.2

**Description:** Seeds of STEM is a research-based curriculum tested in more than 40 classrooms with great results. This online interactive PD will introduce preschool & kindergarten educators to the problem-solving process and to all 8 units of the curriculum.

PD registration includes access to the electronic version of the Seeds of STEM curriculum, 146 images, and video library of short clips showing Seeds of STEM being taught in real classrooms. Participants have the option of purchasing a classroom kit that includes a binder with the printed Seeds of STEM booklets, a box with printed (not laminated) 146 color images, and Problem Panda.

* A limited number of **scholarships** are available for **Central MA educators** thanks to a grant from the Massachusetts STEM Advisory Council.
