

# From Standards to Real World Problems (PBL)

- **Target Audience:** PK -12 educators, coaches and administrators
- **Dates:** July 20 & 21, 2021
- **Format:** Fully online via Zoom

Two half-day sessions + 2 hrs on your own

- **Pre-PD work (on your own):** 1 hr
- **July 20:** 10 am – 2:30 pm ET + 1 hr (on your own)
- **July 21:** 10 am – 2:30 pm ET  
*Including daily 30 minute lunch break + stretch breaks*

- **Registration Fee:** \$120/2-day session  
*(50% discount for Worcester Public School educators; limited scholarships available)*
- **PDPs/CEUs:** 10/1.0 per 2-day session

**Description:** Join us for this interactive PD as we follow the engineering design process to solve a real world problem. Then, follow our process to develop real-world problems for your students based on your standards and practices.

Collaborate with grade level colleagues, get feedback on your project idea, and start a rubric template to assess your students' content and skill mastery.

Visit our [website](#) to **REGISTER**.
