2020-2021 Off-Campus MQP Essay (Preview)

Please write a brief essay (500 to 700 words) in support of your application to an off-campus MQP program. Important attributes to consider when writing this essay include work ethic, attitude, flexibility, motivation, creativity, and record of technical accomplishments. You are expected to address your strengths and weaknesses with regard to these attributes. You should give specific examples from your life as evidence. The quality of your writing in response to this question is a factor in determining your placement in the program.
