## Login to Your Account

• Requirements: You must have your WPI email active. WPI email and its password are your login credentials

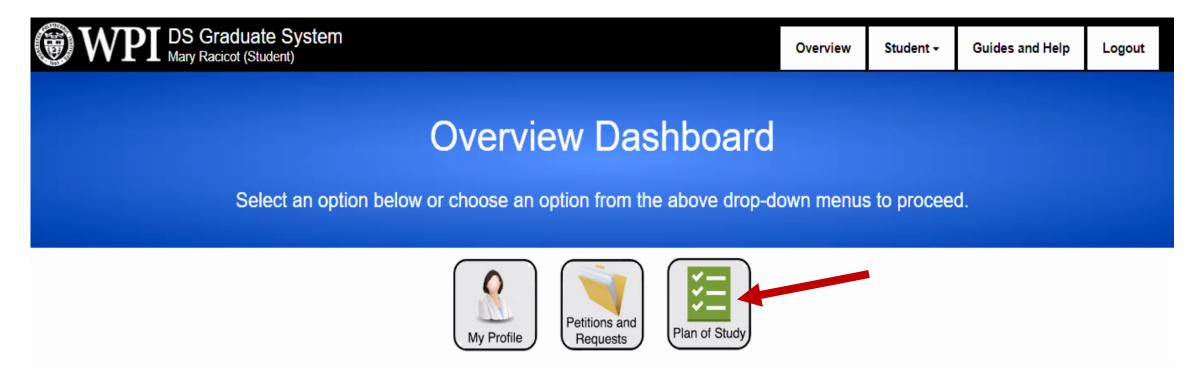

• System Link: <a href="https://ds-grads.wpi.edu">https://ds-grads.wpi.edu</a>

## **PLAN of Study**

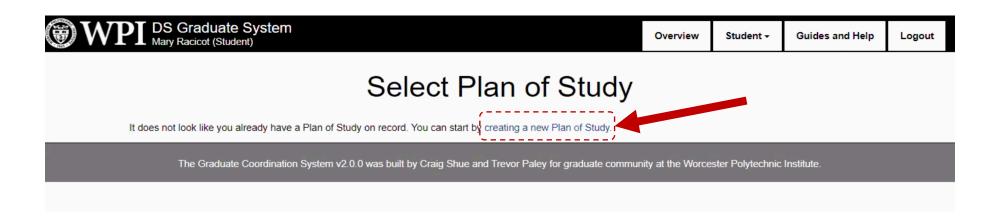

## Plan of Study (Submission for the 1st time)

- Login to the system. You should see content similar to the figure below
- Click on "Plan of Study" icon

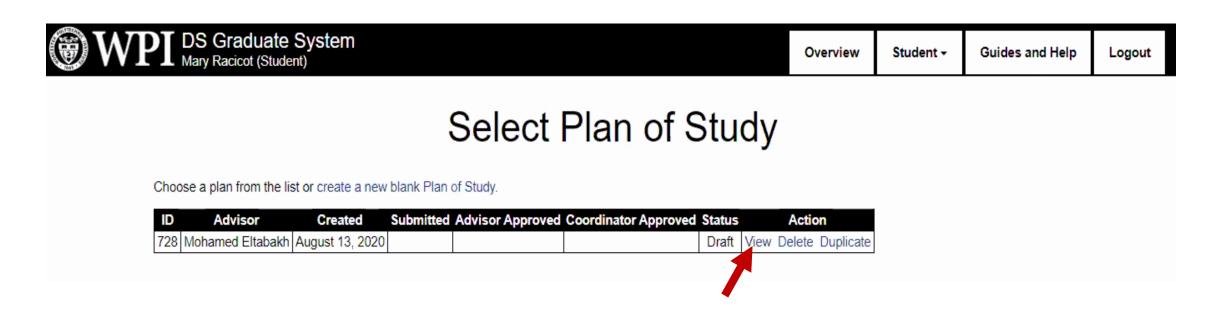

## Create New Plan of Study

• If you do not have previous submission, you will see a screen as below. Click on "Creating a new Plan of Study"

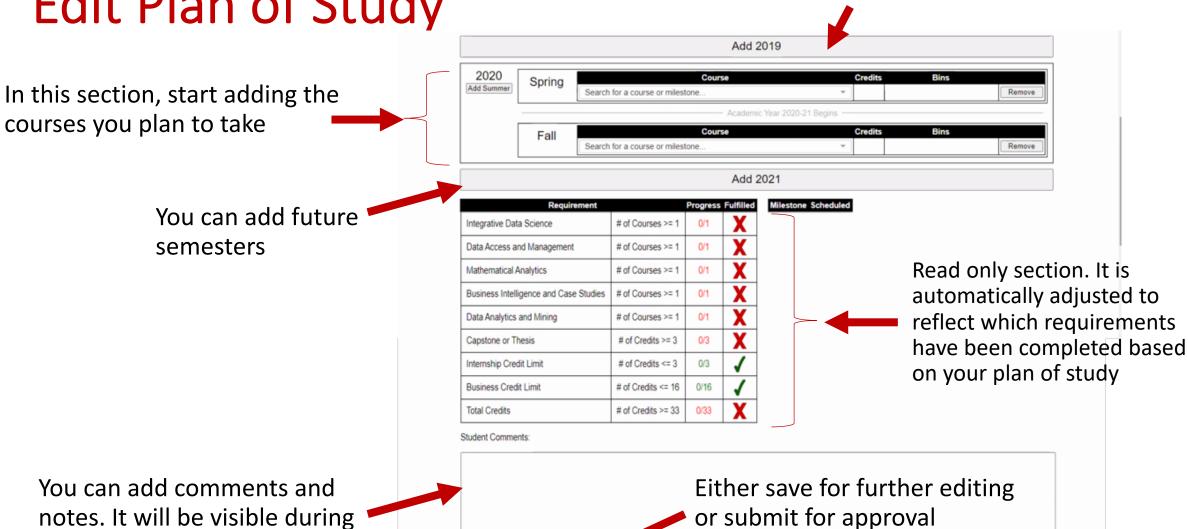

## Create New Plan of Study (Cont'd)

- After you create a new blank Plan of Study, a new entry will appear in the table as shown below.
- Click "View" to open and start editing the plan of study

Edit Plan of Study

You can add previous semesters

notes. It will be visible during the approval process

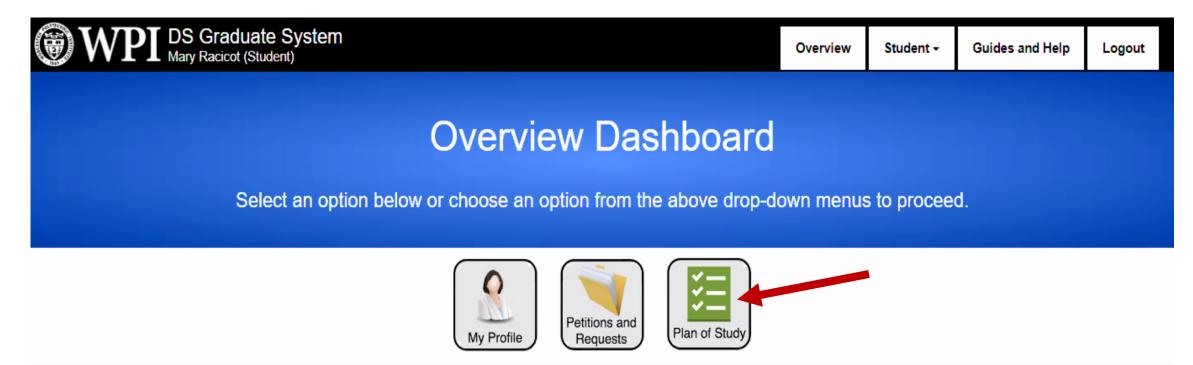

#### Notes

• You *DO NOT* need to fill in all semesters. *ONLY fill in the current* (and possibly the next one if you know what you will take)

 Any future semesters you fill in can be later updated by submitting a new Plan of Study. Nothing is written on stone

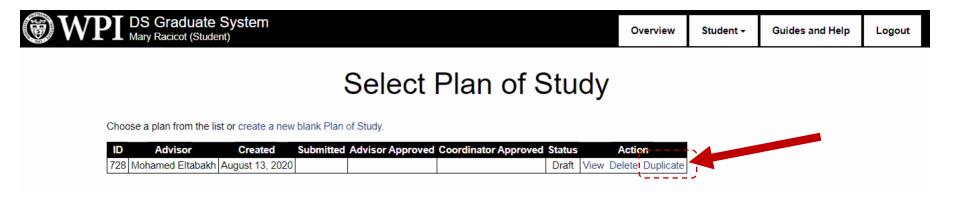

## Plan of Study (Subsequent Submissions)

- Login to the system. You should see content similar to the figure below
- Click on "Plan of Study" icon

## Duplicate an Existing Plan of Study

- Do NOT create a new black one because you need to carry the history to the new one
- Find the most-recent Plan of Study in the system, and click "Duplicate"

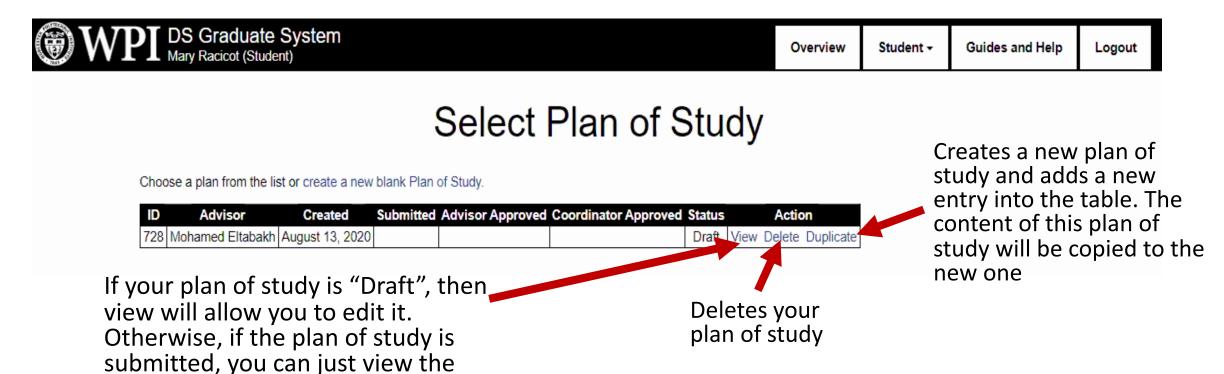

- A duplicate Plan of Study will be created that you can then "View" and edit
- Add the new semester information, and then click "submit for approval"

## View/Delete/Duplicate Plan of Study

- After you click "Plan of Study" from the main dashboard page. You can see all previous plan of studies ordered by date
- Click the "View", "Delete", or "Duplicate" link as needed.

content in a read only mode

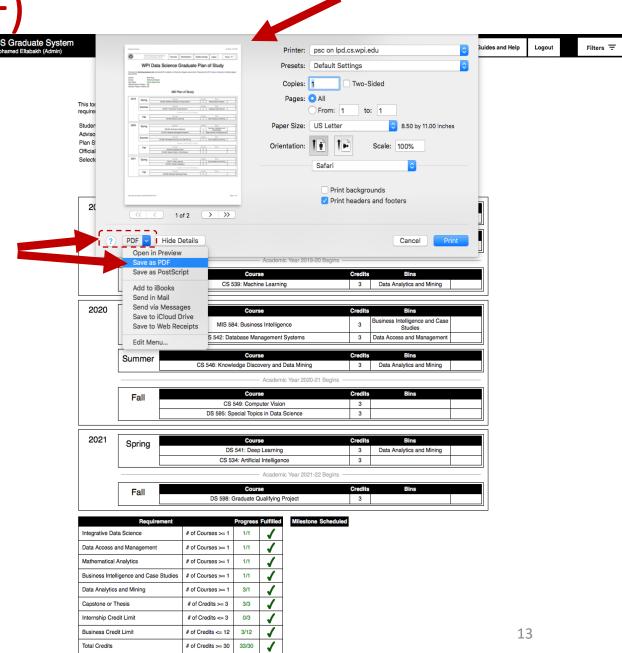

Save Plan of Study (as PDF)

 You may need to do so to keep a local copy, or send it to another office, e.g., International House or Registrar

 Follow the normal steps to open a "print" box (as if you will print the page)

 Select "PDF" → then "Save as PDF" as highlighted in the figure

## **Petitions**

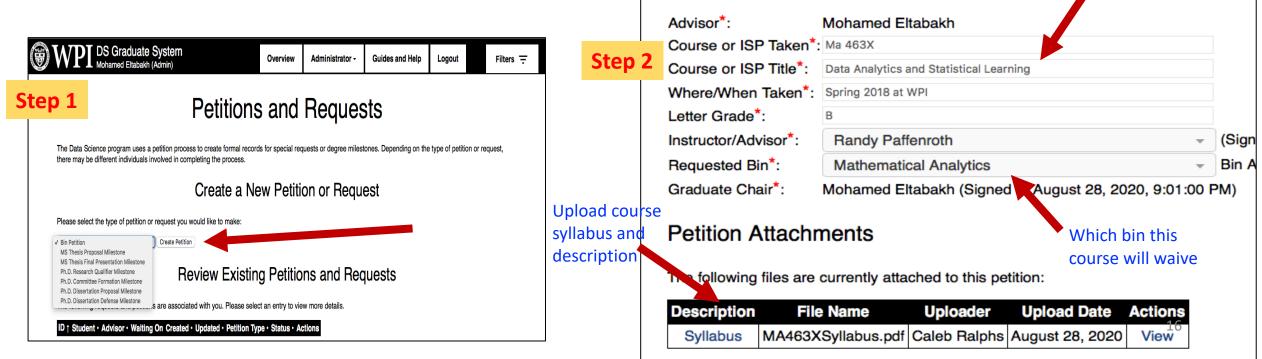

#### **Petitions**

- Login to the system. You should see content similar to the figure below
- Click on "Petitions and Requests" icon

#### Petitions: Bin Petition

- "Bin Petition" is used to either
  - Waive the requirement to take a certain bin (because you have taken similar course(s) before)
    without any credit transfer, or
  - Count a course, often one taken at another university, for credit towards a specific bin (both credit transfer & bin waiver)
- From the dropdown list → select "Bin Petition" (Step 1 below)
- Fill in the course information as shown in Step 2 below

Information on the course

you want to petition

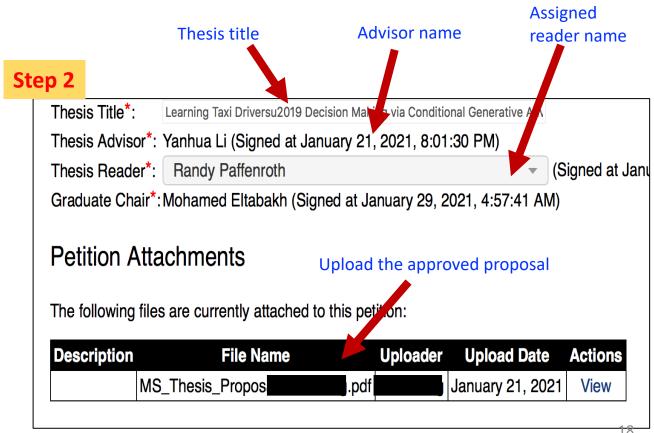

## **MS Related Petitions**

## Petitions: MS Thesis Proposal Milestone

- "MS Thesis Proposal Milestone" is used to document in the system that your proposal has been accepted and assigned a reader
- From the dropdown list → select "MS Thesis Proposal Milestone" (Step 1 below)
- Fill in the information as shown in Step 2 below

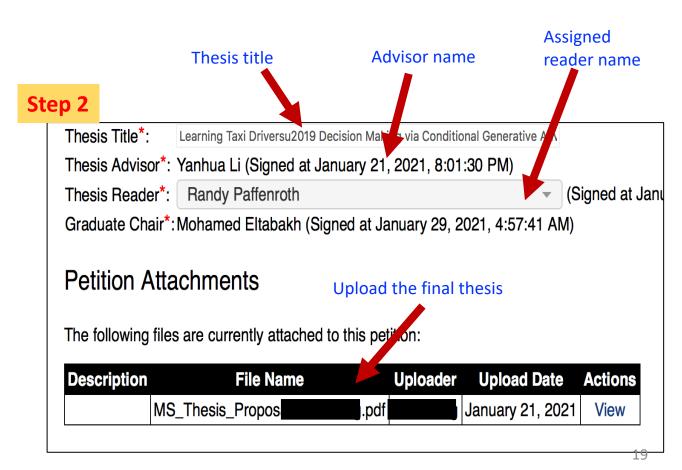

#### Petitions: MS Thesis Final Presentation Milestone

- "MS Thesis Final Presentation" is used to document in the system that you successfully presented your thesis
- From the dropdown list → select "MS Thesis Final Presentation Milestone" (Step 1 below)
- Fill in the information as shown in Step 2 below

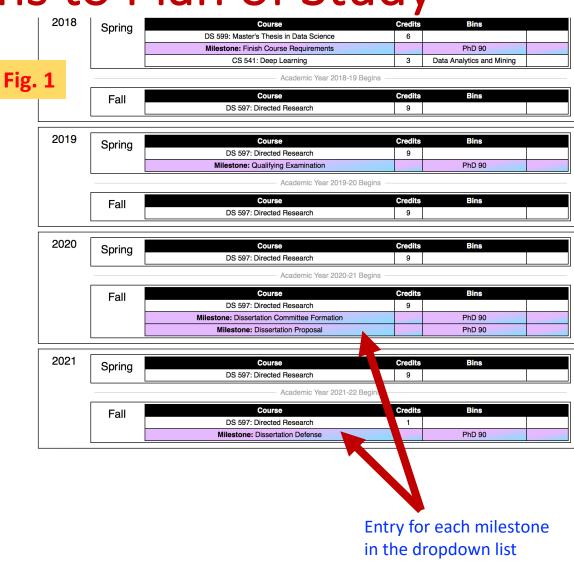

#### PhD Related Petitions

Linking Approved Petitions to Plan of Study

- The system DOES NOT automatically link your "submitted and approved' petitions (regarding the different milestones) to your plan of study
- After a petition(s) are approved, in the next time you submit a Plan of Study (refer to Page 10), you should add an explicit entry for the milestone as shown in Figure 1
- As a result, your milestones will be checked as completed (as in Fig. 2)

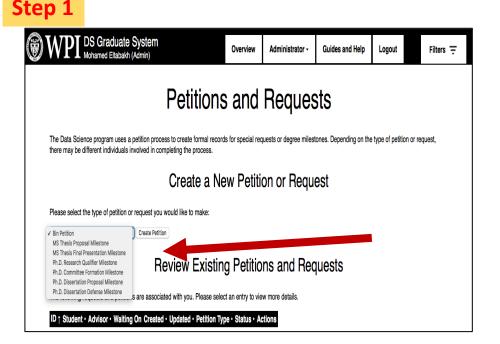

Fig. 2

Milestone	Scheduled
Finish Course Requirements	<
Qualifying Examination	1
Dissertation Committee Formation	1
Dissertation Proposal	1
Dissertation Defense	1

### Petitions: PhD Research Qualifier Milestone

- The Ph.D. Qualifier can be completed in either of two ways (submit the petition <u>after</u> you are done with the qualifier)
  - Through a directed research course
  - Through a publication submission to a peer-reviewed venue
- From the dropdown list → select "PhD Research Qualifier Milestone" (Step 1 below)
- Fill in the qualifier information (Step 2 below)

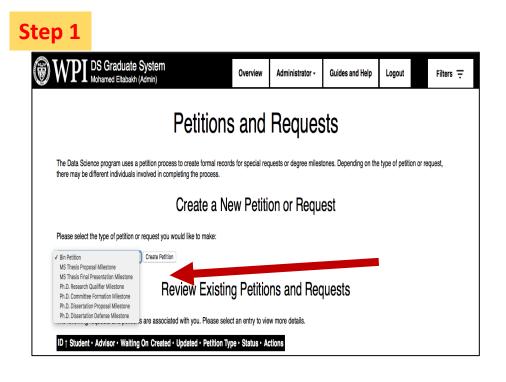

\* Indicates mandatory

#### Petitions: PhD Committee Formation Milestone

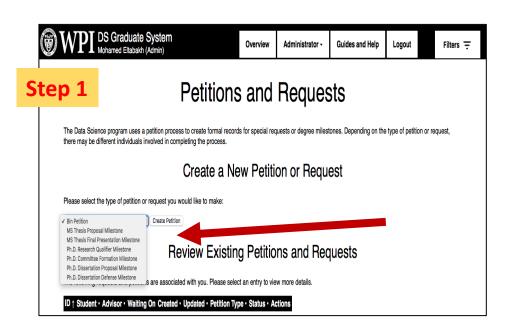

- The Ph.D. Committee Formation petition is submitted to the system <u>after</u> being approved by the DS program
- In Step 2 (see below), you need to fill in the information about the committee members (internal & external members)

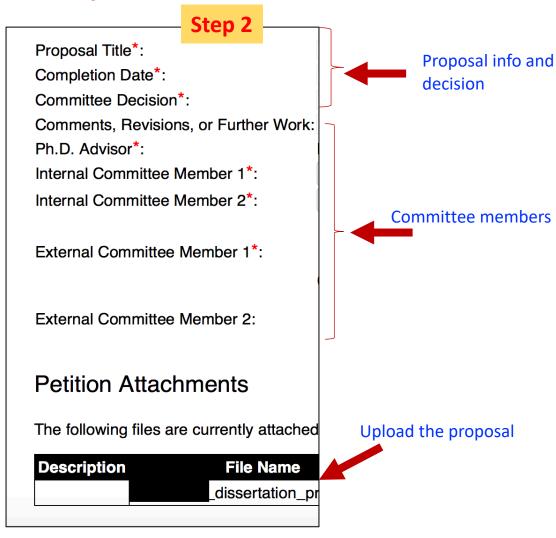

## Petitions: PhD Dissertation Proposal Milestone

- The Ph.D. Dissertation Proposal petition is submitted to the system <u>after</u> the proposal is defended and the committee reached a decision
- In Step 2, you need to fill in the needed information

#### Petitions: PhD Dissertation Defense Milestone

Congratulations !!!

• Fill in the mandatory information in Step 2, and you are all done
