

STUDENT eBILL SAMPLE:

- A. Semester for eBill, total due, and due date.
- B. All charges on the student account. Each charge has a description.

To Note: Medical Insurance is charged in the fall and must be waived/purchased each fall semester on the Banner Self-Service site. The New Student Service Fee is charged one time, in the first Fall semester for new incoming students.

- C. Any pending financial aid, deposits and payments made will show as a credit.
- D. Summary of the total amount due and due date.

The student eBill is not dynamic, it is published with the data on the account at the time it is sent. For the real-time student account information please see the Banner Self-Service site.

Students may add an authorized user in the eBill site – each time a new eBill is published the authorized user will receive an email and have login credentials to view the eBill and make payments. Please note this login is separate from the Parent Portal access and you may not link to the eBill site from the Parent Portal.
