## Additional Information

### To request accommodations through the Office of Disability Services

- 1** Fill out the Temporary Accommodation Request Form online at: <https://goo.gl/rpzqMk>. Please contact the Office of Disability Services if you need assistance filling out the request form.
- 2** If you are working with a medical provider outside of WPI, provide documentation of the injury and expected recovery time.
- 3** Make an appointment to meet with a staff member to discuss your accommodation needs

Some accommodations that can be provided for students on a temporary basis include but are not limited to: testing accommodations, note-taking assistance, classroom relocation and transportation to campus.\*

*\*For students who live within a mile radius of campus.*

### To notify faculty if you are unable to attend class

- 1** Connect with Student Health Services or the Athletic Training Office.
- 2** Once Academic Advising is notified from one of the above offices, they will notify your professors and ask for attendance flexibility.
- 3** Follow-up with your professor once you are able to discuss next steps and any make-up work needed.
