Dear Colleagues,

The Letter of Intent (mandatory) deadline for the National Science Foundation Research Traineeship (NRT) Program is December 6, 2017.

The solicitation has not been posted yet, but you can find information about the program and this year's timeline at

[https://www.nsf.gov/funding/pgm\\_summ.jsp?pims\\_id=505015&WT.mc\\_id=USNSF\\_180&WT.mc\\_ev=click](https://www.nsf.gov/funding/pgm_summ.jsp?pims_id=505015&WT.mc_id=USNSF_180&WT.mc_ev=click)

The NRT is a limited submission program and thus an internal review process is required. An eligible organization may participate in two proposals per competition. **Participation includes serving as a lead organization, non-lead organization, or subawardee on any proposal.**

Faculty members interested in submitting a proposal should provide by November 13, 2017:

1. a brief (1-3 pages) abstract of the project and
2. a budget outline with accompanying narrative explanation

Please send materials to [resadm@wpi.edu](mailto:resadm@wpi.edu)

Please feel free to contact me or VPR Vernescu with any questions you might have.

Best regards,

Antje
