Subject: Limited Submission Opportunity--NSF Big Data Innovation Hubs (BD Spokes)
Date: Wednesday, April 26, 2017 9:33:56 AM

Dear Faculty,

The proposal deadline for the National Science Foundation **Research Big Data Regional Innovation Hubs** solicitation (BD Spokes--<https://www.nsf.gov/pubs/2017/nsf17546/nsf17546.htm#toc>) is **September 18, 2017**.

BD Spokes is a limited submission program. An organization may participate as submitting organization (or, in the case of collaborative proposals, as the lead organization) for at most **one proposal** responsive to this solicitation. Thus an internal review process is required.

Faculty members interested in submitting a proposal should provide by **May 15, 2017**:

1. a brief (1-3 pages) abstract of the project and
2. a budget outline with accompanying narrative explanation

Please send materials to resadm@wpi.edu. Feel free to contact me or VPR Vernescu with any questions you might have.

Best regards,

Antje
