Subject: Limited Submission Opportunity: National Science Foundation Innovations in Graduate Education (IGE) Program
Date: Friday, August 04, 2017 1:30:08 PM

Dear Faculty,

The proposal deadline for the National Science Foundation Innovations in Graduate Education (IGE) Program (<https://www.nsf.gov/pubs/2017/nsf17585/nsf17585.htm>) is October 25, 2017.

The IGE program is no longer a track in the NRT program, but its own program, and a letter of intent is no longer required. The IGE is a limited submission program (no more than 2 proposals per institution). Thus an internal review process is required.

Faculty members interested in submitting a proposal should provide by August 28, 2017:

1. a brief (1-3 pages) abstract of the project and
2. a budget outline with accompanying narrative

explanation

Please send materials to resadm@wpi.edu. Feel free to contact me or VPR Vernescu with any questions you might have.

Best regards,

Antje
