

WPI Bike Policy

Bicycles are welcomed and encouraged on campus. When not being used, bicycles must be either locked to a campus bicycle rack, or positioned directly next to a rack. If all of the rack space is utilized, we encourage you to lock your bicycle using a secure device. For students who live in our residential facilities, personal bicycles may be stored in your space with the permission of all roommates. Bicycles may not be locked to railings, lamp posts, etc. and may not be stored in common areas or stairwells. Mopeds or Motorcycles are not permitted inside residence hall facilities.
