Funding Options for E-Term 2017

Funding for E-Term is limited to Federal Direct Loans for students, the Federal Direct PLUS Loan for parents, and/or private loans. No WPI need- or merit-based scholarships and no WPI-based loans are offered for E-term. If a student decides to borrow Federal Direct Subsidized and/or Unsubsidized Loans for summer, it will reduce his or her loan eligibility for the upcoming academic year. For example, a rising sophomore who requests $3,000 in Direct Loans for E-Term will have only $3,500 remaining to borrow for the upcoming fall and spring semesters. Any private or PLUS Loans borrowed for E-Term will not have an impact upon loan eligibility for the upcoming regular academic year.

DIRECT LOANS (Federal Direct Subsidized, Unsubsidized and PLUS Loans)

Eligibility
- Minimum enrollment is half-time, which is 6 credits for E-Term to qualify for any Direct Loans.
- Federal Satisfactory Academic Progress must be maintained as of the end of D-Term to qualify for any Direct Loans. Students placed on Federal Academic Probation at the end of D-Term will be ineligible to borrow Direct Loans. Detailed information about Federal Satisfactory Academic Progress is available at https://www.wpi.edu/admissions/tuition-aid/applying-for-aid/policies.
