

# FRONTIERS

## What is Frontiers?

Join us for Frontiers, a summer program that's what you make it—literally. Choose from a two- or four-week non-credit pre-college experience where students dive into a STEM major and Humanities and Arts minor.

## Dates

**Frontiers I:** July 11 - July 23, 2021

**Frontiers II:** July 25 - August 6, 2021

**Frontiers I & II:** July 11 - August 6, 2021

## Apply

Don't miss out on a summer to remember—applications are open; submit yours today!

## Tuition

**Frontiers I or II:** \$995

**Frontiers I & II:** \$1,795

## Application Materials:

1. Complete the application.
2. Email us your transcript.  
(Official is preferred but not required)
3. Click Submit! There is no fee to apply!

## Program at a Glance

- 2- or 4-week online program
- Dive into a STEM major with an HUA minor
- Virtual engagement opportunities
- Build relationships with WPI faculty, staff, and undergraduates
- Connect with peers from around the world who share your passion for STEM
- Summer courses are synchronous — learn in tandem with your peers wherever you are
