**Students: Please print and sign your name on this form and mail it to:**

**WPI Office of Student Aid & Financial Literacy  
100 Institute Road  
Worcester, MA 01609**

I acknowledge that my signature below authorizes the WPI Office of Financial Aid to change my application status to indicate that I am no longer applying for Need-Based Aid. This includes all funding from Federal and State sources as well as any WPI scholarships based on financial need including but not limited to Pell Grants, Supplemental Education Opportunity Grants, All Direct Loans, all State Grants, MA No Interest Loans and Federal Work Study and Community Service Work Study. This cancellation does not prohibit me from receiving merit-based scholarships or private loans for which I may be deemed eligible.

Please note that this request will remain in place now and in future years. Submission of a FAFSA or CSS Profile form will be considered a request to re-apply for need-based financial aid.
